# TASMANIA SET FOR SECOND MAGIC MILLIONS

Thoroughbred enthusiasts will converge on Launceston later this month when a quality catalogue of yearlings will be offered at the second annual Magic Millions Tasmanian Select Yearling Sale.

The sale, to be conducted in Launceston on February 20, has attracted a catalogue of 153 well bred and conformed youngsters.

Magic Millions, in association with Thoroughbred Breeders Tasmania, were delighted with the results of our first auction last year.

Buyers from all around the country were at the auction competing for a fine selection of horseflesh at great value prices.

Tasmanian horses are renowned for their toughness and class. Consistently they are winning stakes races around the country and those that remain in their home state are often hopping to the mainland and knocking off the interstaters.

Popular local stallions including Ladoni and West Quest are amongst the most represented sires in the sale and there's no doubt their stock will be keenly sought by buyers.

Plenty of interest will also surround the first season sires with yearlings catalogued including Dash for Cash, Grass Wonder, Newtown Jet, Partners Choice, Planchet, Strategic Image and Telesto.

Graduates of previous Tasmanian Yearling Sales have raced with great distinction when they were given their opportunity on the racetrack and already graduates from our sale last year and winning in great style.

Another highlight to look forward to is the running of the inaugural \$100,000 Magic Millions Tasmanian 2YO Classic at Tasman Park on February 19. This is a great reminder to buyers that all yearlings offered at the sale are eligible to be a part of the ever expanding \$4.93 million sales series around Australia each year.

We look forward to seeing you at the 2006 Magic Millions Tasmanian Select Yearling Sale on February 20.

Regards,

David Chester
