MAGIC MILLIONS

## WELCOME FROM THE MANAGING DIRECTOR

"Easter on the Gold Coast" - for the first time in history the famous Conrad Jupiters Magic Millions Yearling Sales will be held over Easter, on the Gold Coast, starting on the Easter Monday 24<sup>th</sup> March and continuing through to the 2<sup>nd</sup> April 2008.

Thousands of thoroughbred industry identities and racing lovers flock to the Magic Millions each year, to experience Australia's most popular thoroughbred auction, the largest in the Southern Hemisphere.

Since its inception in 1986, the Magic Millions Yearling Sale has become the most progressive auction of its type in the world, and is now a truly international event.

International and national media are invited to the Gold Coast to cover the carnival, sales and fabulous racing and to take the news to the world. Greg Irvine, our media representative based in Melbourne, will be only too happy to assist you in the lead up and during this great Australian event.

We recognize the importance of the media in the lead up to and throughout the sales and carnival, and provide accredited media with access to the Magic Millions media room to file live from the sales. In addition, media also receive complimentary food and beverages during the sale, and assistance with accommodation whilst on the Gold Coast.

The media room has limited space and only those filing from the sale are encouraged to gain access. All media planning to attend the sale MUST apply to be accredited via the media centre on the Magic Millions website [www.magicmillions.com.au](http://www.magicmillions.com.au)

Wireless and network connections will provide journalists and photographers with free, high speed internet access to file their reports and photographs.

At the end of each session on finalization of sale results, I will personally visit the media room to deliver an informal press conference. Due to time constraints, all media are encouraged to attend as I will be unable to address reporters individually.

The latest up to date statistics including the leading sires and buyers as well as comparisons from previous years will be provided at this end of sale session conference.

As is the case every year, this year's catalogue we feel is the best ever and we are confident our first class international buying bench will agree and help set new record figures.

The 2007 sale was a resounding success with record crowds, buyers and a record catalogue helping set new benchmarks. Yearlings sold to \$2 million and averaged over \$180,000 in what was the best Magic Millions Yearling Sale ever.

On behalf of our entire team, I would like to thank you for your time and efforts and look forward to seeing you on the Gold Coast this Easter.

Yours sincerely

A handwritten signature in black ink, appearing to read "D. Chester".
