23 FEBRUARY 2010 | LAUNCESTON, TASMANIA

WELCOME TO THE 2010 MAGIC MILLIONS TASMANIAN SELECT YEARLING SALE

Magic Millions Sales Pty Limited and Thoroughbred Breeders Tasmania (TASbreeders) are proud to present the catalogue for the fifth Magic Millions Tasmanian Select Yearling Sale, to be held at Inveresk Showgrounds on Tuesday 23rd February 2010.

The 2010 crop of yearlings are known as the EI yearlings, as they were conceived in the season of the crippling outbreak. Many Breeders were concerned about the outcome, however both sale management, and importantly buyers, can rest easy and it is easy to see why!

The 2010 offering is, without doubt, the most impressive catalogue offered at the annual Tasmanian sale.

Of the 160 lots on offer, 44 have black type performers on the first dam line, with either the first dam having earned black type status during their race careers or the first dam having produced gallopers who have performed at listed level or above.

In addition Tony Williams from Magic Millions, who has inspected all the lots catalogued, believes the 2010 crop are collectively superior types to any catalogue since Magic Millions commenced selling at the Tasmanian sale in 2005. In fact Williams suggests there are several yearlings amongst the 2010 offering that would hold their own at the Magic Millions January sale.

The annual Tasmanian Magic Millions Yearling Sale always offers buyers the opportunity to purchase a quality horse at an affordable price. The 2010 sale will provide buyers with access to a variety of quality stallions from both local and interstate studs. Sires represented in the 2010 catalogue include:

Ad Valorem, Al Maher, Al Samer, Artie Schiller, Beckett, Bel Esprit, Bianconi, California Dane, Canny Lad, Choisir, Churchill Downs, Danbird, Dash For Cash, Delago Brom, Gods Own, Gonski, Econsul, Estambul, Hold That Tiger, Keep The Faith, Kempinsky, King Of Roses, Lucky Owners, Magic Albert, Nadeem, Niello, Reset, Savabeel, Snippetson, Strada, Untouchable and Zenno Rob Roy.

In addition, buyers will also be able bid on the local product including proven stallions such as West Quest, Savoire Vivre, Partners Choice, Tough Speed, Telesto, Mr Innocent and Ladoni plus a selection of yet unproven stallions such as Helike and El Maggiore.

Magic Millions Tasmanian 2010 Yearling Sale

Why Buy a Tasmanian Bred Yearling?

The Australian yearling sale calendar is jam-packed with choice for buyers of Australian yearlings. With so much choice on offer, why buy a Tasmanian yearling?

For many years, a select few Victorian buyers were regular visitors to the annual Tasmanian yearling sale. These days, the secret is well and truly out with the number of interstate and international buyers that attend the sale, growing each year.

While there are many reasons to visit Tasmania, including the great food, cool-climate wine, beer and world-class golf courses, buyers visit the Tasmanian sale to purchase quality horses at bargain prices. Importantly, these affordable horses have every chance of being a future outstanding performer.

The average purchase price at the Tasmanian sale is approximately AUD\$15,000. The sale features a large selection of yearlings sired by quality interstate stallions, in addition to the best of Tasmania's quality stallions.

In recent years, horses bred in Tasmania have excelled nationally or have triumphed against quality interstate opposition in many of Tasmania's feature races.

It is recommended that buyers spend at least two days in Tasmania at this time.
