MAGIC MILLIONS

“ SINCE ITS INCEPTION IN 1986,
THE MAGIC MILLIONS YEARLING
SALE HAS BECOME THE MOST
PROGRESSIVE AUCTION OF ITS TYPE
IN THE WORLD. ”

WELCOME FROM THE MANAGING DIRECTOR

Each January thousands of thoroughbred industry identities and racing lovers flock to the Gold Coast for the country's largest and most popular thoroughbred auction in the Southern Hemisphere.

That sale is the Conrad Jupiters Magic Millions Yearling Sale and on behalf of Magic Millions I invite you to be a part of a truly great international thoroughbred carnival.

Since its inception in 1986, the Magic Millions Yearling Sale has become the most progressive auction of its type in the world.

Media from around Australia and the world are invited to come to the Gold Coast in January to cover the carnival and take the news to the world.

Annie McDonald, Magic Millions marketing and media manager based on the Gold Coast, and Greg Irvine, our media representative in Melbourne, will be only too happy to assist you in the lead up and during this great Australian event.

Specific catalogue or thoroughbred queries should be directed to Greg, while Annie is responsible for the overall public & media relations for the sales and carnival, accreditation, company interviews and enquiries.

As is the case every year, this year's catalogue we feel is the best ever and we are confident our first class buying bench from around the world will agree and help set new record figures.

The 2006 sale was a resounding success with record crowds and buyers and a record catalogue helping set new benchmarks. Yearlings sold to \$1.55 million and averaged over \$140,000 in what was the best Magic Millions Yearling Sale ever.

We recognize the importance of the media in the lead up and throughout the sales and carnival, and provide accredited media with access to the Magic Millions media room to file live from the sales.

In addition media will receive complimentary food and beverages during the sale, and assistance with accommodation whilst on the Gold Coast. The media room has limited space and only those filing from the sale are encouraged to gain access.

Wireless and network connections will provide journalists and photographers with free, high speed internet access to file their reports and photographs.

At the end of each session on finalization of sale results, I will personally visit the media room to deliver an informal press conference. Due to time constraints, all media are encouraged to attend as I will be unable to address reporters individually. The latest up to date statistics including the leading sires and buyers as well as comparisons from previous years will be provided at this end of sale session conference.

Yours sincerely

DAVID CHESTER
Managing Director
