

**2007 BMW MAGIC MILLIONS  
PERTH YEARLING SALE  
13th, 14th, 15th & 16th February**

# WELCOME FROM THE MANAGING DIRECTOR

On behalf of Magic Millions I am pleased to present a comprehensive media preview of the 2007 BMW Magic Millions Perth Yearling Sale.

To be held during February, the Perth Yearling Sale has a proud history of producing world class gallopers at value prices.

Buyers from throughout Australia and from overseas will converge on the Belmont Sales Complex to compete for a record sized catalogue of quality yearlings.

As I've said every year since Magic Millions expanded our business to Perth, this year's catalogue is the best ever.

We're delighted to be able to showcase the best yearlings bred in Western Australia and interstate and present them to a first class buying bench.

Each year more and more buyers from the eastern states take the trip west and with the record of past visitors there's little wonder why!

At their first trip to the sale in 2004, prominent Melbourne syndicators Rob and Corinna Slade purchased two yearlings. Incredibly both graduated to be interstate stakes winners (Brockman's Lass and Time Matters).

Lindsay Park's leading bloodstock agent Mark Pilkington has many happy memories of buying at the Belmont complex. He is of course the man who found and purchased multiple Group One winner Barely a Moment – now a highly promising South Australian sire.

Our many clients from overseas locations including Singapore, Malaysia and South Africa are regular visitors as they continually unearth black type performers at the fraction they cost as many other sales around Australasia.

Magic Millions' Victorian based media representative Greg Irvine will be attending the sale and will be in charge of all media related issues during the auction. Please feel free to contact Greg if you have any queries in relation to the Perth auction.

If you're planning to attend the sale in February I look forward to seeing you there and I wish you every success for the remainder of 2007.

Kind Regards

David Chester  
Managing Director
