“The possibilities for the return on a Magic Millions QTIS filly is greater than almost any other sale because QTIS is an amazing scheme...especially for a filly. On top of that, we have got the Magic Millions races!”

David Vandyke after purchasing the Sebring-Tina Melina filly.

“They can win nearly \$80,000 on a Saturday which is just fantastic prize-money, and the good ones like her don't come cheaply, we had to beat Tony Gollan, Rob Heathcote, First Light Racing and Greg Eurell - they were all on that filly, so we went a bit further than what we thought she'd be worth, but for a good QTIS filly, we're happy to have her.”

Grant Morgan on the competition and the incentives that inspired him to dig deeper.

“She was the right product and we had confidence that we would be able to achieve a result and it's definitely gone above what we were hoping for. Magics have done a great job to get the sale conducted in these conditions and made sure the buyers were here. I know there were a couple of guys on the phone to agents on her when she was going through the ring so it's all worked out really well.”

Joe Heather, River Junction – vendor of the Pride of Dubai/Fiery Dee filly.

“...it's definitely gone above what we were hoping for.”
