Different Sires

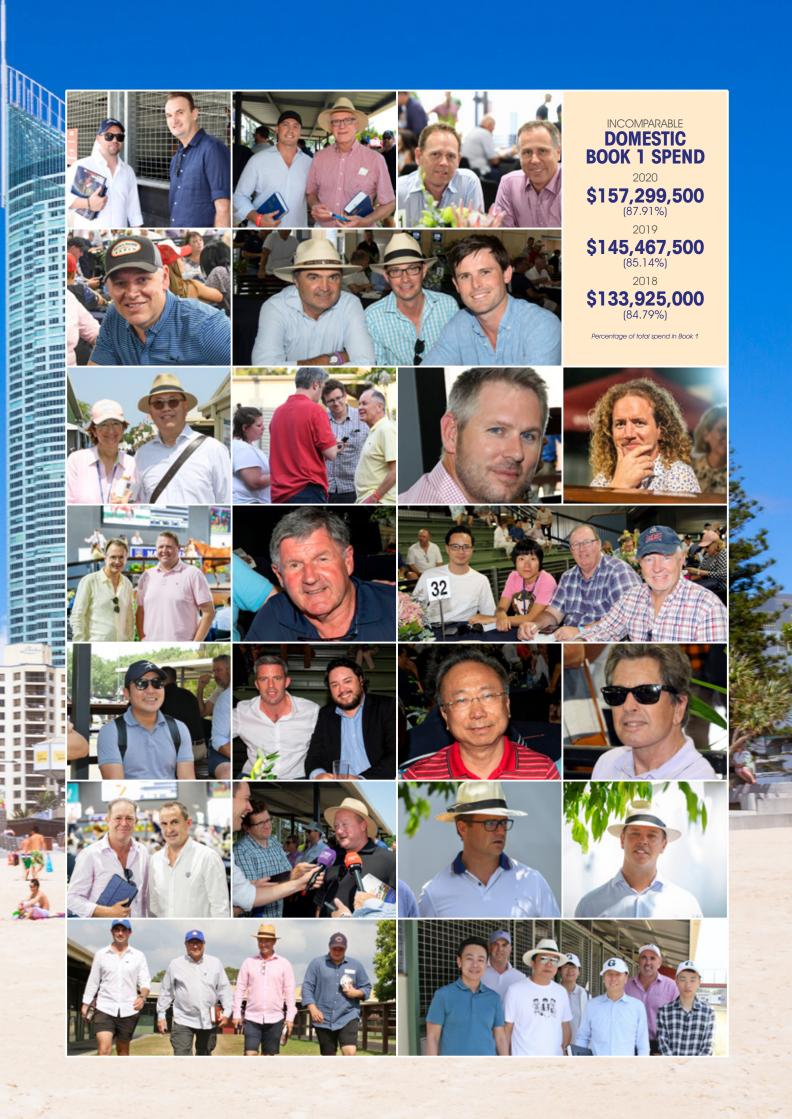

The nice ones are very, very strong and where this sale is really good is the middle is very strong - \$200,000 to \$500,000 - and it just shows the quality of horses that are here.

Wayne Hawkes

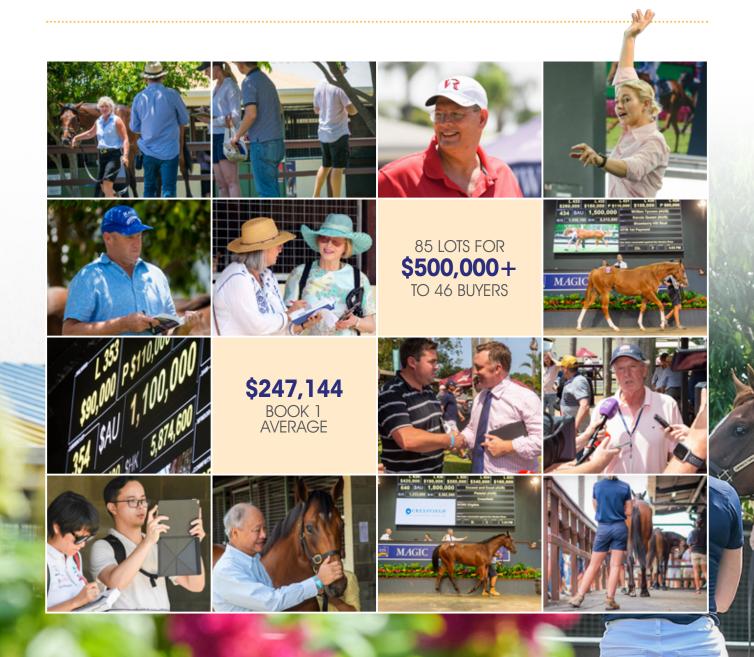

"It's an outstanding sale and she was a magnificent filly, a real queen. When the horse went in the ring, there were bids everywhere, so to get that result was fantastic for everybody."

Duncan Grimley after selling lot 434 Written Tycoon-Karuta Queen filly for \$1,500,000.

think a lot of the trainers and (owners) have targeted this sale more than they have in the past. Everyone targets this sale, but they have even more so this year. There were also more syndicates put together, more trainers and groups together.

John Foote.

"It's an outstanding sale and she was a magnificent filly, a real queen."

"I'm just delighted with the way that the Yarraman horses have looked, sold and presented. 100% clearance rate and we've had the best average. Thrilled to bits with it all."

Harry Mitchell, Yarraman Park Stud.

We were confident he'd sell well given he had 16 different x-ray hits and on Tuesday he was paraded 44 times which is a Willow Park day record spanning back 20 years.

Glenn Burrows of Willow Park Stud on selling Lot 287 Vancouver-Exclusive Lass colt.

The top end has just got stronger and stronger. It was a great sale. Obviously the clearance rate was great and it's just gone from strength to strength. Obviously this is the benchmark sale - it sets the benchmark for everyone.

Basil Nolan, President of the Thoroughbred Breeders Australia and Principal at Raheen Stud.

"To be honest we didn't expect the result we've got, it's been a phenomenal result!"

"The buying bench, (specifically) the diversity of the buying bench here just backs up year after year. From your \$100,000 right up to the top lots, there are plenty of people here participating. "

Mike Fleming of Bhima Thoroughbreds.

We've had a marvellous sale. We thank Magic Millions for putting us in the sale – giving us the opportunity to show our wares. We're just a little farm trying to take it on with the big boys and we're having a decent crack! We're really happy.

Mark Dunkley of KBL Thoroughbreds.

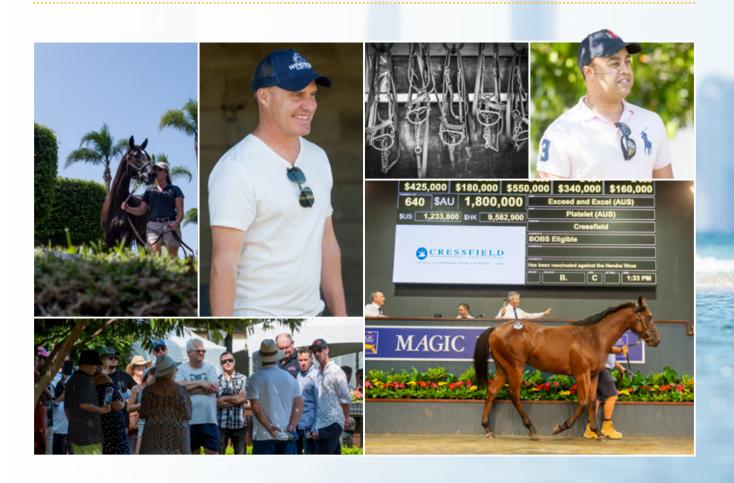

To double-smash sales records in 24 hours has been super exciting for the whole family, the farm, the staff and our clients.

Jo Griffin, Lime Country.

To be honest we didn't expect the result we've got, it's been a phenomenal result! To go close to topping the sale on day 3 is really special. The boss (Bruce Neill) is ecstatic, great results, to sell a \$1.8m colt is hard to describe. Even our middle of the road horses sold well, anyone would be hard pressed, at this sale, to say they haven't done well; everyone's had good results. We had the right stock and the buying bench was there.

Wayne Bedggood from Cressfield Stud on their sale and top result selling the Exceed and Excel-Platelet colt to Hawkes Racing for \$1,800,000.

"the diversity of the buying bench here just backs up year after year."

"To be honest we didn't expect the result we've got, it's been a phenomenal result! To go close to topping the sale on day 3 is really special."
