44.4.2 Where a Vendor is fully registered for NZ GST, NZ GST of 15% (or such payment as is at that time required to be paid by the NZ GST Act) will be added to the final bid price.

44.4.3 Where a Vendor is not registered for NZ GST, no NZ GST is added to the Purchase Price.

AGENTS

We wish to point out to you, in your own interests, the position of a bidder at Auction who purchases on behalf of another party.

When the bidder discloses his/her Principal after purchase, we stress that unless the Auctioneer approves the agency arrangement prior to the auction, the highest bidder remains personally liable for the full purchase price and any liquidated damages which may be incurred pursuant to the Conditions Of Sale.

If the account is sent to the Principal, who defaults, then responsibility for payment remains with the person purchasing the Lot in the sale ring. In some cases Agents purchase horses with the later intention of finding a Principal. Before making purchases Agents should appreciate their liability for payment in the terms of the Conditions Of Sale. Terms of payment will be strictly enforced.

Where a Principal wishes to appoint an Agent prior to purchasing, an "Appointment Of Agent" form, as provided in this catalogue, should be submitted to and accepted by the Auctioneer prior to Sale.

Mortality Insurance Placing Process

The process for placing fall of hammer mortality insurance will be different this year, compared with prior years. Details of the new process can be found at <https://www.howdengroup.com/au-en/equine-fallofhammer>

Features of Mortality Insurance

Cover is available in accordance with insurance policy terms. The key features of the fall of hammer mortality insurance available through Howden Equine include:

1. Cover available is mortality for horses to be based in Australia and/or New Zealand. For horses destined outside these countries, application needs to be made to insurers, and will only be valid upon insurers' acceptance in writing.
2. Cover available is for training, flat racing, rearing and/or breeding. For other uses, application needs to be made to insurers, and will only be valid upon insurers' acceptance in writing. No cover is available for pets or horses used for recreational purposes.
3. The sum insured is the purchase price, exclusive of GST. If the purchaser wishes to increase the sum insured to include GST, the purchaser must notify Howden Equine as soon as possible, ideally before fall of hammer.
4. The period of insurance shall be 12 months from sale date, and may be extended to the end of the expiring calendar month.
5. If a purchaser has previously had a policy declined or cancelled by insurers, and/or has failed to pay all or part of any premium, then any YES indication placed in the 'YES Insurance Required' box, shall not be binding on insurers or Howden Equine, meaning that any intended cover on the part of the purchaser shall be of no force or effect, unless accepted by insurers in writing. The onus rests firmly on the purchaser to establish the status of their previous policies from their insurers.
6. Howden Equine can provide premium estimates upon request. Premium charges for policies are set by insurers and will be advised to purchasers at the time of invoicing. All fall of hammer mortality policies are subject to the following minimum charges: **Premium** - the greater of \$250 or 1% of purchase price including GST (plus applicable taxes and statutory charges in both cases); and **Howden Equine administration charge** - \$150 plus applicable taxes and statutory charges.
7. Purchasers and appointed agents should note that every insurance contract is subject to the doctrine of utmost good faith. The purchaser has a duty to make full and complete disclosure of every matter of which he/she/it is aware, or could reasonably be expected to be aware, which may be relevant to an insurers decision whether to accept the risk of/on the insurance proposal, and if so, on what terms. Any breach of this duty may prejudice a claim, or the continuation of cover provided by insurers.
8. No insurer shall be deemed to provide cover or be liable to pay any claim or provide any benefit to the extent that the provision of cover, payment of such claim or provision of such benefit would breach any sanction, prohibition or restriction imposed by any applicable law or regulation.
